

Walk in place as we shelter in place

Turn steps into dollars for charity

Like many other organizations, we rely heavily on public events to raise money for NKH research. In light of our current global state, we decided to host a virtual "walk-a-thon" to raise funds for NKH research and awareness. Each Zoom the Room Team will host a Zoom meeting on their respective date. We will walk, ride, laugh, and enjoy the company of each other, from afar. We urge you to get involved in the first ever Zoom the Room and help us as we continue our fight to save the lives of hundreds of children around the world.

There has never been a more important time for all of us to step up. Join a Zoom the Room team today and help raise money and awareness for **Gene Therapy to Cure NKH** while promoting the safe practices of social distancing by using Zoom video technology.
